

COREALIS Final Event

Innovation Incubator - Hackathon

Carles Pérez (VPF)

April 23rd, 2021

COREALIS Innovation Incubator

Objective: Foster the **collaboration** among the **port-logistics cluster and SMEs/start-ups** by establishing new networks and partnership agreements to promote innovation, further digitalization and sustainability in the port-city environment.

Hackathon in Valencia LL

Organization of a 1 week event where students, professionals, start-ups & scale-ups tackle challenges within the maritime and logistics sector

- Proposals for innovative solutions relevant to the port needs
- Digitalization of port operations and processes
- New agreements between Start-ups and the port community
- Sustainable solutions pursuing the green port concept
